

# THE CODE OF CONDUCT

For members of the Arreton Parish Council

## 1. Introduction and interpretation

- a. This Code applies to you as a member of the Arreton Parish Council.
- b. You should read this Code together with the seven general principles prescribed by the Localism Act 2011 as follows:

The principles of public life apply to anyone who works as a public officeholder. This includes all those who are elected or appointed to public office, nationally and locally, and all people appointed to work in the civil service, local government, the police, courts and probation services, NDPBs, and in the health, education, social and care services. All public officeholders are both servants of the public and stewards of public resources. The principles also have application to all those in other sectors delivering public services.

**SELFLESSNESS** - Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits.

**INTEGRITY** - Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

**OBJECTIVITY** - In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

**ACCOUNTABILITY** - Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

**OPENNESS** - Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

**HONESTY** - Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

**LEADERSHIP** - Holders of public office should promote and support these principles by leadership and example.
